Notice dated 26th April 1918.

Notice is hereby given that sealed tenders will be received by the undersigned up to the 10th May 1918 noon, for the supply of the undermentioned articles, required for the use of the Electrical Department.

2. Tenders should be submitted on their own forms accompanied by a list in the form given below, showing the rates at which the different items specified in the list will be supplied. Only the 1st quality materials are to be tendered for.

3. Each tender must be accompanied by a deposit of Rs. 200 as earnest money and be superscribed "Tenders for the supply of materials, required for the use of the Electrical Department," in default of which tenders will be rejected. Samples of a dozen bulbs and 3 lamp-holders to be submitted clearly showing supplier's name and price. These samples to be sent to the office of the Chief Electrical Engineer, Bangalore, who will return those of the unsuccessful competitors, if desired.

4. The final acceptance of the tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer reserves the right of awarding any part or portion of the supply to any tenderer.

5. After tenders are opened, no change of rates under any circumstances will be allowed. They will be opened in public at 2 P.M., on the 11th May 1918.

6. On acceptance of any of the tenders, the earnest money on rejected tenders will be returned. The earnest money of the successful tenders will be returned when the whole supply is completed satisfactorily.

7. The rate tendered for each item shall include cost of delivery either at the stores of the Electrical Department or "F. O. R.," Mysore, and shall be binding on the supplier from the date of acceptance to the date the complete supply is made. No charge will be allowed for packing or carting.

8. Materials supplied found not to be up to standard in quality or to other causes, will be rejected and the supplier shall remove and shall guarantee to replace same with fresh materials then and there. (All charges incurred on the rejected materials will be debited to the supplier).

9. Should the successful tenderer fail to supply the required material or replace the rejected material in time, the same will be purchased elsewhere and the difference in cost between the rate tendered for and that at which the material is purchased will be debited to his account.
